

## Auckland RC 12 January 2013 - R 8

**Rules:**

[638\(1\)\(d\)](#)

**Name(s):**

Ms S Collett - Licensed Rider

**Charge:**

Careless riding.

**Facts:**

admitted

Following race 8, an information was filed pursuant to Rule 638(1)(d). The informant, Mr Williamson, alleged that passing the 300 metres Ms Collett (CORPORAL LINCOLN) shifted out to obtain clear running dictating (APACHEE TAAT) L Innes out, causing (ALSUKAR) S Shirahama to be checked losing ground.

Mr Robinson showed the committee on the video films that at the 350 metres Ms Collett was on the rails and travelling very well. Shortly after this point she angled her mount out when not the required distance clear of Mr Innes. In doing so this forced Mr Innes's mount out onto Mr Shirahama's, who received a severe check.

Ms Collett told the committee that her mount was travelling pretty well on the rails and was looking to improve. She conceded that she was not clear of Mr Innes which resulted in Mr Shirahama's mount being affected.

**Decision:**

As Ms Collett admitted the breach we find the charge proved.
