Rules:

[638\(1\)\(d\)](#)

Name(s):

Mr C Dell
Mr M Williamson - Stipendiary Steward
Mr R Collett - Licensed Trainer representing Ms CollettMr C Dell

Charge:

Careless Riding

Facts:

admitted

Following race 1 an information was filed pursuant to rule 638(1)(d). The informant Mr C George alleged that Mr C Dell riding DEO VOLENTE allowed his mount to shift in approaching the 900 meters. This resulted in crowding to MATO GROSSO (L Innes) and then to JULINSKY PRINCE (Miss K Meyers) which was checked.

Mr Williamson demonstrated the video films which showed DEO VOLENTE (Mr C Dell) moving in from a wide draw soon after the start. Mr Williamson said this was an abrupt movement by Mr Dell which resulted in crowding to 2 runners on his inside. He stated Mr Dell was not sufficiently clear when moving in.

Mr Dell said he looked before moving in and thought there was sufficient room. However he said Mr Innes hunted his mount up which contributed to the tightening.

Mr R Collett in support of Mr Dell said that Mr Innes had crossed quickly and hunted up aggressively. He said Mr Dell did pull off when he heard calling.

Decision:

As the breach was admitted we find the charge proved.
