

## Otago RC 1 February 2020 - R 5 - Chair, Prof G Hall

**Rules:**

[638\(1\)\(d\)](#)

**Name(s):**

Mr T Moseley - Class A Jockey

Mr J Oatham - Chief Stipendiary Steward

**Charge:**

**Facts:**

admitted

Mr Davidson alleged that in race 5 Mr Moseley (HEAD OFFICE) rode carelessly whilst passing the 250 metres when shifting outwards dictating LARRIKIN (J Laking) outwards into the line of PRINCE OF BROOKS (B Murray) who was checked.

Mr Oatham demonstrated on the films that Mr Moseley was midfield looking for a run. He shifted outwards forcing Mr Laking on to Mr Murray, who had to check his mount. He demonstrated that Mr Moseley was not his length and another clear when shifting.

Mr Moseley said Mr Oatham's analysis of the films was correct, however he believed that Mr Murray's horse was hanging inwards and that the interference was at the lower end. He acknowledged that Mr Murray had had to take evasive action and take a hold. When questioned by the Committee, he said his mount, which finished 4th, was going well and he was looking for a run.

**Decision:**

As Mr Moseley has admitted the breach, it is found to be proved.
