**Rules:**

[638\(1\)\(d\)](#)

**Name(s):**

Mr M Cameron - Licensed Rider  
Mr A Coles - Stipendiary Steward

**Charge:**

Following race 11 an information was filed pursuant to Rule 638(1) (d). The informant Mr Williamson alleged that Mr Cameron permitted his mount GOTTINO to shift out passing the 400 metres to obtain clear running when not clear of ICESKATES ridden by Mr J Collett who was obliged to check his mount.

**Facts:**

admitted

Mr Coles demonstrated the video films which showed at the 400 metres Mr Cameron angles his mount out into the running line of Mr Collett when only a bare length clear. This resulted in Mr Collett standing up and taking hold of his mount.

Mr Cameron said he tried to make a run for his horse as he was travelling better than Mr Collett, however conceded he misjudged the movement.

**Decision:**

As Mr Cameron admitted the breach we find the charge proved.
